

If there is an sudden news event (corruption case, mass incident, etc.), to what extent would you think the information published by these information channels is credible:

- 1. CCTV, Xinhua News Agency, People's Daily and other official media,
- 2. Southern Metropolis Daily, Beijing News, Huaxi Dushi Bao and other local commercial media,
- 3. Internet celebrities, authoritative experts, WeChat public accounts, well-known Weibo users, etc.,
- 4. Foreign media such as the BBC and the New York Times

Do you think the TV program "Xinwen Lianbo" is trustworthy?
